CAREER OBJECTIVE

AI & DS student seeking full-time or internship opportunities to apply problem-solving and analytical skills. Proficient in Java and Python, with a strong foundation in data-driven approaches, programming, and real-world applications.

EDUCATION

B.Tech – Artificial Intelligence & Data Science - CGPA 8.6
V.S.B College of Engineering Technical Campus, Coimbatore (2023 – 2027)

Higher Secondary Education - 81%
V.V.M Matric Hr. Sec. School, Coimbatore (2023)

SKILLS

Languages	Tools	Soft skills
• Java • SQL • ABAP	• GitHub • SAP • AWS	• Quick Learner • Logical Thinking • Teamwork

INTERNSHIP

Machine Learning Intern

Accent Techno Soft, Coimbatore | June 2025 – July 2025

- Worked on “Crime Rate Analysis – City Wise Crime Data Insights using Python with Machine Learning.”
 - Applied Python for data preprocessing, visualization, and machine learning model building.
 - Gained hands-on experience in analyzing real-world datasets and deriving meaningful insights.
-

PROJECTS

CLOUD COST OPTIMIZER AI AGENT | PYTHON, GITHUB API | JUN 2026

- Built an AI-powered tool to analyze cloud costs and identify optimization opportunities.
- Developed an agent-based dashboard with GitHub API integration and automated reporting.
- Designed a multi-agent system for cloud cost analysis, optimization recommendation generation, and automated decision support.

JAVA GUI GAME DEVELOPMENT (JAVA, AWT, SWING | JAN 2025 – JUN 2025)

- Built a desktop version of Flappy Bird using Java with smooth animation and collision detection.
 - Designed custom UI and game logic using Java AWT and Swing frameworks.
 - Implemented keyboard controls, scoring system, and obstacle generation.
-

ACHIEVEMENTS

- Organized and coordinated Web Development events for the national-level symposium “Vyuga ’26”, managing technical activities and participant engagement.
 - Participated in multiple national-level hackathons, collaborating with teams to develop innovative solutions for real-world problem statements within time-constrained environments.
-

CERTIFICATIONS

- SAP – ABAP Backend Developer – 2026
- AWS Cloud Practitioner Essentials – 2026
